The next five (5) scouts meeting the criteria will be placed on a waiting list. Should one or more of the original group withdraw, these five (5) scouts will be notified of acceptance in the order they were received. Additional names will be listed, however their deposit will not be returned until the first five alternates have been selected. Scouts falling behind in payments will be contacted before being removed from the participant list. The Council High Adventure Committee reserves the right to adjust the membership of the contingent due to adult leadership needs.

Adult applicants will be reviewed and approved by the High Adventure Committee and a maximum of 4 adults will be selected to provide leadership for the contingent. Alternate adults will be kept on a waiting list until the adults who were originally selected make final payment. The fee at Philmont is \$725. There will be a \$50 contingency fee. As of 1 March 2010, the total cost of the trip is estimated to be \$1,000. Once Adult leadership has been selected, they will determine additional costs necessary to cover transportation, lodging, meals, and any other side costs. Once this is done, a total cost of the trip will be provided to all participants.

As the purpose of a Council Contingent is to provide an opportunity to youth who would otherwise not have it, initial membership of the contingent will be limited to 2 youth from any one Troop or Crew. If the contingent is not full as of July 1, 2010, membership will be opened up on a first come first served basis with no limits on the numbers of youth from any units.
