

# Chartered Organization Rep Training (COR)

## Fall Training 2010

### Foothills District

“Training boy leaders to run their troop is the Scoutmaster's most important job.”

“Train Scouts to do a job, then let them do it.”

“Never do anything a boy can do.”

—Robert S. S. Baden-Powell

## COR

Some chartered organization representatives (COR's) may not be familiar with the Scouting program. This presentation is to orient the new CORs and serve as a review for those with Scouting experience. This person is the liaison between the Pack, the chartered organization, and the BSA. They make sure that the chartered organization is aware of what the Pack is doing, and coordinates activities between the chartered organization and the Pack. It is also the responsibility of the chartered organization representative to communicate any relevant policies that the charter organization has to the Pack committee.

A point that a new scouter often misses is that the chartered organization 'owns' the Pack, not the Pack committee. The Pack committee is simply an administrative arm of the chartered organization.

The Chartered Organization Representative is a voting member of the local BSA Council and District committees.

As such, they represent the Pack on these committees.

If the chartered organization has more than one unit (e.g., a Pack and a Troop) the Chartered Organization Representative serves all.
