

Quapaw Area Council
2023 National Jamboree
Refund Policy

Deposit due with registration -- \$500.00

Refund Policy

Planning the Jamboree is very detailed. Payments for the Jamboree, transportation and related costs are made months before the actual trip and are often non-refundable.

Due to this, if for some reason you find that you are no longer able to attend the Jamboree, notice must be made in writing to the Jamboree Staff Advisor at mike.mcloughlin@scouting.org.

\$200 of the initial deposit is non-refundable under any circumstance with the exception of those placed on a waiting list for which Jamboree space cannot be secured, and other situations as determined by the Jamboree Committee.

Additional fees you have paid will not be refundable unless we have a replacement. It is not your responsibility to find a replacement and spaces cannot be promised to others. Replacements will be found from an established Council waiting list, if one exists.

We appreciate your understanding.
