### **Who Can Attend a Cub Adventure Weekend?**

All Cub Scouts and their families are invited to attend any of the Cub Scout Adventure Weekends hosted at Camp Rockefeller. All siblings are welcome to attend and participate in all programs. Please register and pay for all participants ages 3 and up. All adults must have taken Youth Protection Training.

### **What to expect upon arrival at camp**

You and your family can arrive at camp on Friday any time between 5:00PM and 9:00PM or Saturday from 8:00AM to 9:00AM. Upon arrival, you will check in with the Camp Director and turn in all medical forms. You will be assigned a campsite. Once you are checked in with the Camp Director, a camp trailer will take your gear to your campsite while you walk to the site. No vehicles will be allowed in camp.

### **Program at Camp**

The camp offers many activity areas and crafts themed around video games. We also offer BB gun and archery ranges. While no program or meals are provided Friday night, there will be snacks available in the dining hall. Saturday kicks off with breakfast at 8:00AM. Program starts at 9:00AM on Saturday and ends after chapel on Sunday.

### **Packing for Camp**

We do not allow vehicles to be driven into campsites. Upon arrival, your gear will be placed upon a camp trailer to be transported to your campsite for you. It is best to pack in plastic tubs or large duffel bags. Please put your name on everything to prevent any confusion. While we hope everyone follows the Scout Oath and Law, please keep all valuables locked safely in your car.

### **What is our Campsite Like?**

You will have a fire ring and a picnic table. There are canvas wall tents will two cots per tent available for you and your family to use. If you choose to bring your own tent, you can set up your tents anywhere in your assigned campsite. There are shower houses that have hot water and flush toilets close to the campsite for your use. You will find kindling and firewood in the surrounding area to keep a campfire going ***(DO NOT BRING FIREWOOD TO CAMP)***.

The dining hall and program areas are within easy walking distance from each campsite. There is plenty of space for you to run around with existing friends and to make new ones. There are cell phones chargers around the dining hall for your convenience.

### **Refund Policy**

To prepare for any Scouting activity, we try to reduce costs of program supplies, patches, and some food by buying them in advance of the activity. When reservations are made, they are figured in the ordering of materials and estimating the number of support staff that is needed for the activity. Funds are allocated and spent in anticipation that everyone who makes a reservation intends to attend family camp. (Thank you for helping us to plan accurately!) We will strictly adhere to the Camp Refund Policy. Individuals who are unable to attend camp due to illness, accidents, or family emergencies may request a refund of the fees paid for camp. All refunds will be subject to the following procedures:

1. Refund requests must be made at least 7 days prior to the start of the camp session.
2. Refund request must be made in writing to Justin Clark, 3220 Cantrell Road, Little Rock AR, 72202 or by email to [program@quapawbsa.org](mailto:program@quapawbsa.org).
3. All refunds will be sent to the person making the request.
4. No refunds will be made once the camp session has begun.
