

## Council Event Registration Forms

To simplify registration for Council events, all event registration forms are now located on the Council Calendar (<https://www.quapawbsa.org/calendar>).

Online registration is available for most events and registration forms will be attached to the event in the calendar for those looking for paper registration.

To find your event, navigate to the correct month or use the search icon in the upper left.

To find district events, select the Districts link in the upper left and turn on whichever districts you wish to include.
